

**Letter of Agreement  
between the  
Novi Community School District  
and the  
Novi Education Association**

**NHS/Link Crew LOA**

With the budget in mind, it was decided to move one position from Link Crew to National Honor Society. This would put Link Crew at two (2) coordinators rather than three (3), and National Honor Society would have two (2) coordinators rather than one (1). Throughout last year, it was determined that three major factors to support this move:

1. Number of students involved
2. Overall Coordinator responsibilities/duties
3. Amount of Administrative support provided

As long as these factors remain, it is agreed that the coordinators will be assigned as defined on the chart below.
