

Letter of Agreement  
between the  
Novi Community School District  
and the  
Novi Education Association

**Unfilled Coaching/Aide Position Compensation**

It is the goal of the District to fully staff all athletic coaching and aide positions. However there may be occasions where the District is unable to fill a vacant position.

When a Schedule B coaching or aide position in a sport requiring multiple coaches/aides is posted and not filled, the stipend(s) for the unfilled position(s) will be shared evenly amongst the other coaches in that sport.

This compensation will occur at the conclusion of the season.
